

CREST™

2021 COLLECTION

Welcome to the life of the water.

Call us the dawn patrol. The lake lifers. The water fanatics. Just like you, we can't get enough of boating season. That's why, for over 60 years, we have been dedicated to helping people live their best life on the water. Every model we offer is designed to let you rule the day with comfort amenities, innovative features and superior quality. There's nothing like enjoying the water with the people you care about most. We are here to make those perfect memories last a lifetime.

IF THE WATER IS CALLING, WE ARE THE ANSWER.

All specifications are based on the latest product information at date of printing. Crest Marine LLC reserves the right to make specification and manufacturing changes at any time without notice or without responsibility for existing units. Crest Marine LLC assumes no responsibility for errors and/or omissions in this document.

2021 Collection

Designed around you, built by us.

Comfort, style and construction.

We get it. Your time on the water means everything and you have a lot of brands to choose from. So what sets Crest apart? Every model, every feature and every part of our build process is designed around you. With superior comfort, timeless style and the highest quality construction, we deliver a lasting and superior boating experience. That means more comfort, more features, more memories and more value.

Comfort

There's nothing like soaking up the day in lush comfort. Our seats are ergonomically designed with deeper seat bases, higher seat backs and superior foam for longer days doing what you love. Versatile layouts make it easy for everyone onboard to move around and enjoy the views.

Style

Just a pontoon? Think again. Across our entire lineup, every Crest makes a statement on the water. Across the entire manufacturing process, our vertical integration allows us to oversee every step to deliver best-in-quality boats. Powder-coated rails come standard and provide a timeless look that will last a lifetime. Plenty of features, color and accent options make it easy to make it yours.

Construction

Your best days on the water start with best-in-class materials. Thicker panels, cross members and nose cones deliver dependable performance season after season. High-quality tubes, stronger fence rails and the industry's best deck construction let you enjoy the water with confidence. Keep your interior pristine with Comfort Plus seating and PermaGuard vinyl. It's all built by us and backed by the best warranty in the industry.

2021 Collection

Comfort, style and construction.

It all adds up to Crest quality.

From the iconic Classic to the sleek Savannah, every Crest model combines lush comfort, modern style and superior construction. It's time to find your perfect pontoon, layout and features. Your best days on the water are here, on a Crest.

**Live the life
of the water.**
