

THE CREST COLLECTION

**2017**

CELEBRATING

60  
YEARS

## CELEBRATING 60 YEARS

To us, nothing rivals the feeling of moving across the water on pontoons.

There's an ease and comfort about it that you cannot experience on any other kind of boat, no matter how expensive. We have spent the past 60 years continually improving upon that experience, innovating in all aspects of the Crest Collection from performance to styling to luxury enhancements.

At the core of Crest, our Company, our People, our Brand as well as our Heart and Soul are our Six Pillars of Excellence.

These Six Pillars guide us, inspire us, drive us and keep us out ahead of the pack. Whether it's Structural Superiority and Innovation, or our Timeless Style, Comfort, Precision and Performance, each model we craft is designed and manufactured with these Six Pillars in mind.

In fact, the men and women at Crest don't think of our jobs as building pontoons. No, we believe that we are continually reinventing them.

**WE TAKE NOTHING FOR GRANTED –  
YOU SHOULDN'T EITHER.**

## THE CREST COLLECTION

2017

Recognized by *Pontoon & Deck Boat Magazine* two years in a row as “Best in Luxury Class.” Crest consistently delivers the best value proposition at every price point to ensure years of pleasurable boating experiences.

CREST I / FISH	52 - 59

*"You want boats that last a lifetime —  
I go to great lengths to make sure  
that happens." — JASON KELLOGG*

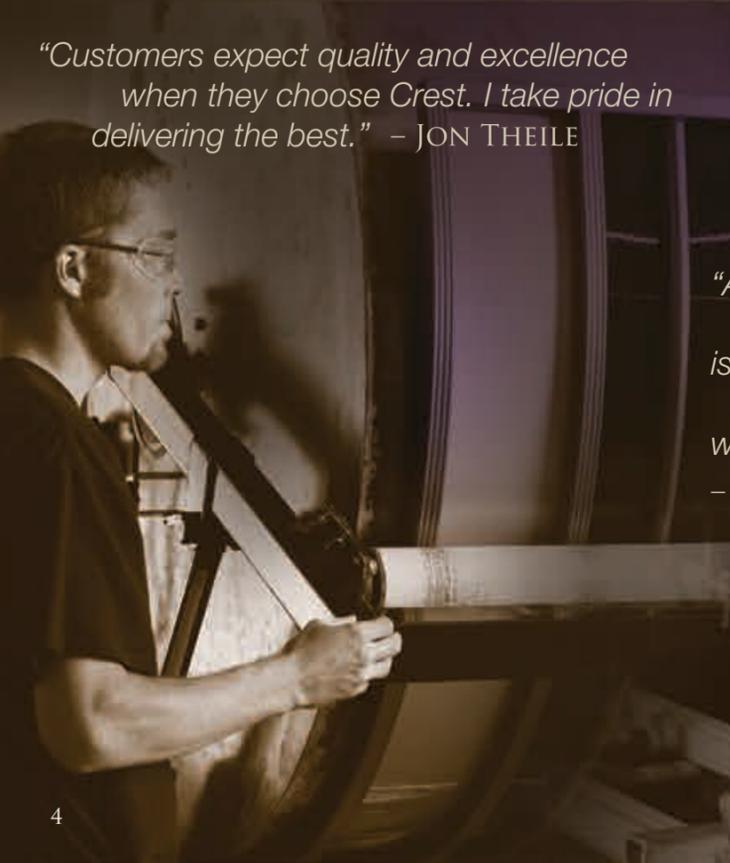

*"A smooth ride starts with the foundation.  
I make sure the foundation of your pontoon  
is second to none." — RON ECKMYRE*

*"Building quality bimini tops  
is the expectation of Crest. I've got you covered...  
Only the best from Crest." — JACKIE WAGNER*

*"You expect performance  
from our pontoons, I see to it  
that your pontoons are perfect  
and perform at their best."  
— ERIC HETFIELD*

*"Customers expect quality and excellence  
when they choose Crest. I take pride in  
delivering the best." — JON THEILE*

*"Attention to detail,  
fit & finish and precision  
is your expectation.  
It just happens to be  
what I do best."  
— RON KIRBY*

*"I've been mastering my craft  
at Crest for 20 years.  
Nothing leaves my area  
unless it's the best in quality."  
— LEWIS LAMROUX*

## AFTER 60 YEARS, WE'RE STILL THE FASTEST GROWING.

No other pontoon boat company can keep up with Crest. We believe there are more than a few reasons for this. Six of them, to be precise. Because every pontoon we manufacture is conceived and built according to the six pillars of excellence – Structural Superiority, Innovation, Style, Comfort, Precision and Performance – we don't take any of the shortcuts that our competitors do.

**YOU CAN SEE AND EXPERIENCE THE  
DIFFERENCE THAT IT MAKES THE FIRST  
TIME YOU SET FOOT ON A CREST.**

**CREST**

*Below: 250 SLR2 shown in Great White Gelcoat,  
Light Gray interior with a White panel*

Our top of the line *Savannah* is a stylishly advanced, premiere watercraft. Built from the most advanced components and materials, *Savannah's* style blends eye-opening design with heartwarming luxury. It's our ultimate expression of innovation.

*Above: 250 SLR2 shown in Black Metallic Gelcoat,  
Light Gray interior with a Graphite panel*

# SAVANNAH

THE PONTOON EXPERIENCE PERFECTED

Savannah 250 SLR2

Savannah's standard and optional features compare to luxury sport cruisers and runabout day cruisers.

# SAVANNAH

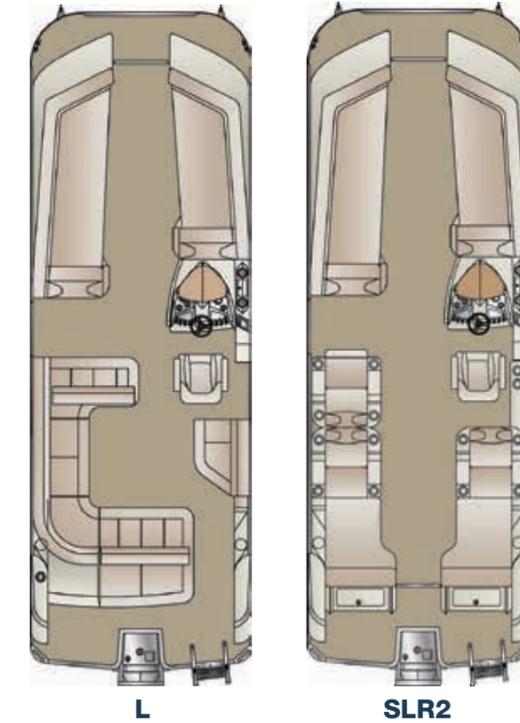

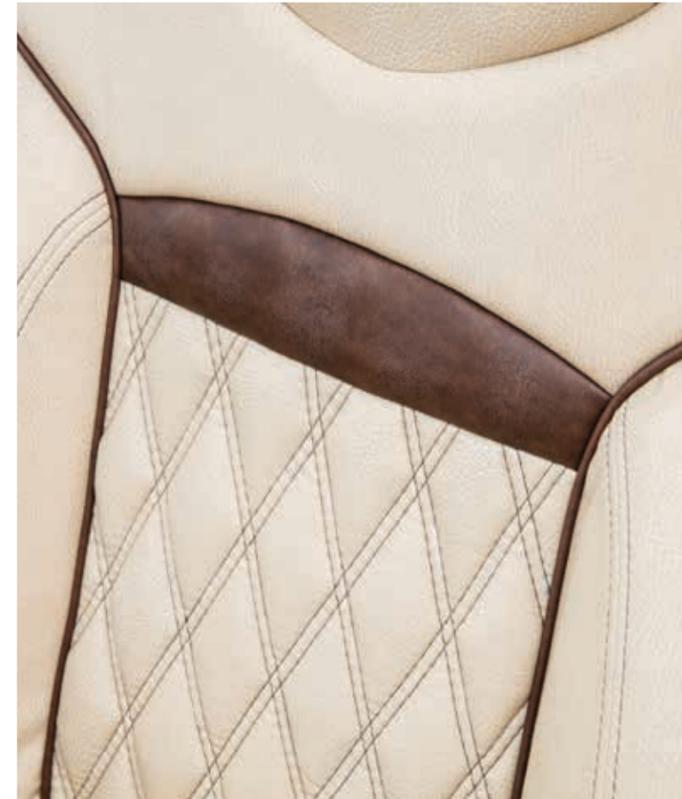

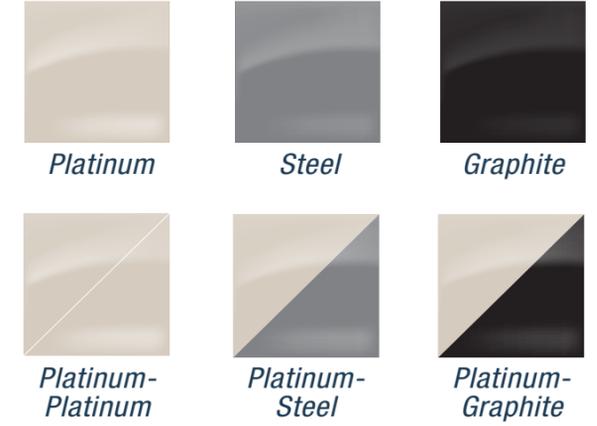

Every detail has been thoughtfully considered to provide an experience on the water like no other. Savannah combines the performance of a luxury sport cruiser with the lush, laid back style of a pontoon, complete with all of the creature comforts you desire.

# SAVANNAH FEATURES

## SAVANNAH COLOR PALETTE

## FLOOR PLAN AND DIMENSIONS

	<b>250</b>
Length Overall	26' 6"
Beam	8' 6"
Tube Diameter-	25"/26"/25"

# WHY IS CREST BEST?

**FULLY SEALED CHAMBERS** – Our tubes have 4 – fully sealed chambers to ensure maximum protection, flotation and safety.

**THICKEST AND LONGEST NOSE CONES** – Our nose cones have the thickest gauge aluminum in the industry – 20% thicker than the competition. They're also longer than most to enhance handling.

**DOUBLE SPLASH GUARDS** – Two splash guards on our nose cones improves ride quality, virtually eliminating water spray. (Not available on Crest I and Crest II)

**THICKEST END CAPS** – Our end caps, which are 25% thicker than the competition, are designed to take a beating.

**THICKEST CROSS MEMBERS** – The cross members on our chassis are 50% thicker than most, delivering best-in-class ride quality.

**SUPERIOR DECK AND FLOOR COVERING** – We use ¾" 7-ply, marine-grade decking with a lifetime warranty. All of our boats have either polyvinyl or woven vinyl floor coverings that resist mold and mildew.

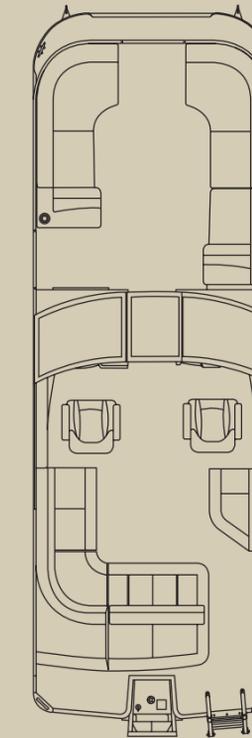

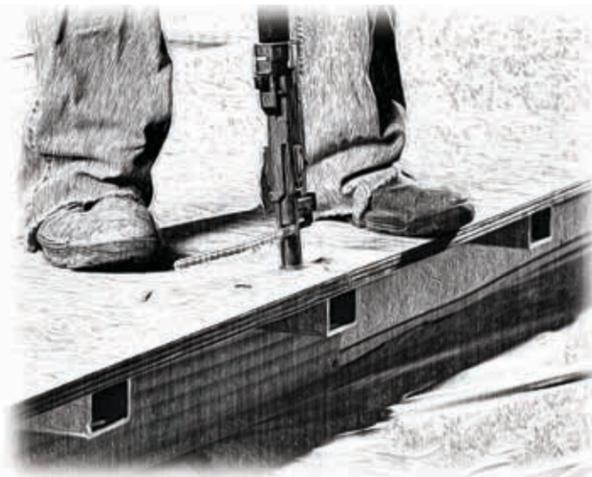

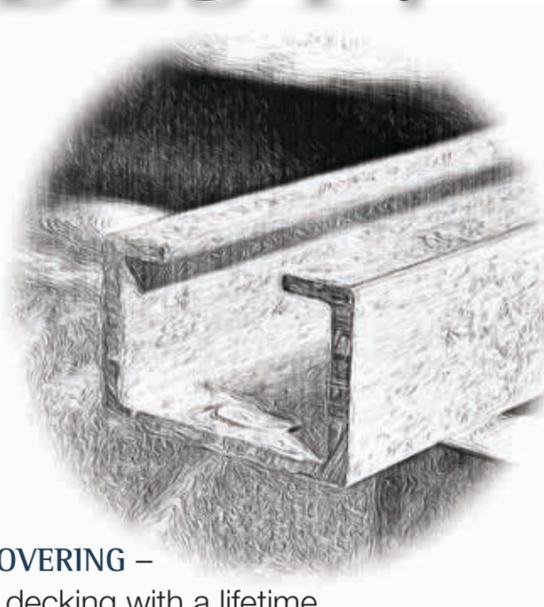

**INTEGRATED FUEL TANKS** – We engineer and integrate our fuel tanks into the motor well or into the tube, allowing for more deck space and improved ride quality.

**90° FENCE RAILS & THICKEST FENCE PANELS** – We use thick 1 ¼" textured, extruded aluminum. All rail corners and gates are mitered at 90°, virtually eliminating pinch points. Our full-height panels are 33% thicker than most.

**FULL LENGTH PIANO HINGES** – Crest adds strength to its fence gates by using a single, full-length, piano style hinge on every gate. We also install gate locks, gate stops, and child-proof safety stops.

**POWDER COATED, HEAVY DUTY RAILS** – We powder coat our fence rails for a superior look, feel and style.

**CREST DESIGNED AND BUILT FIBERGLASS HELM STANDS** – Unlike thin blow-molded plastic, our helms are designed out of fiberglass. We don't skimp on quality.

## OUR WARRANTY

Our confidence in our materials, our methods and our suppliers allows us to offer a solid warranty on your Crest pontoon.

The Crest Marine warranty provides peace of mind and value by offering warranties for structure and components.

This is an added benefit to a Crest Marine pontoon's resale value and the respect that a Crest brings to the market.

- 5-year Bow to Stern Warranty
- Limited Lifetime Structural Warranty
- Limited Lifetime Hull Warranty
