

**CREST**

**2018 COLLECTION**

Since 1957, we've built our legacy on a foundation of structural superiority, innovation, style, comfort, precision and performance. Our commitment to Quality and Excellence never stops. Never has, never will. Whether it's our craftsmanship, our superior engineering or our reliability, it's what we do; it's who we are. It's in our DNA.

Since those early days, our single-minded purpose has been to build the most exciting, luxurious, cutting-edge pontoon boats in the world. Crest boats are forged in the heart of Michigan — America's home of invention, innovation and ingenuity — where grit, hard work and determination aren't just buzzwords, but a way of life. We believe if you want something done right, you do it yourself. So we create, handcraft and manufacture our boats all under one roof.

At Crest, every day is an opportunity to build the world's finest pontoon boats, with unmatched comfort, style and all-around performance. Our expectation is nothing less than providing you with the finest boating experience possible. So when you settle in behind the wheel of your new 2018 Crest, turn the key and head for open water, we'll be with you, every step of the way.

# THE CREST COLLECTION 2018

## AFTER MORE THAN 60 YEARS, WE'RE STILL THE FASTEST GROWING.

No other pontoon boat company can keep up with Crest. We believe there are more than a few reasons for this. Six of them, to be precise, which drive our product development, engineering and ultimately, our entire organization: **Structural Superiority, Innovation, Style, Comfort, Precision and Performance.** These pillars are the foundation that assures you a great sense of pride and many years of boating enjoyment from your Crest Pontoon ownership experience.

**YOU CAN SEE AND EXPERIENCE THE DIFFERENCE THAT IT  
MAKES THE FIRST TIME YOU SET FOOT ON A CREST.**

CALYPSO	60-65

# SAVANNAH

## *Luxury and Performance*

The Savannah is our ultimate expression of innovation. Designed with the best in performance, style and precision, the Savannah challenges the idea of what a pontoon should be.

2018 COLLECTION

2018 CREST SAVANNAH 250 SLR2 IN GRAPHITE,  
WITH TAN INTERIOR AND CABIN LIFE DELUXE POLYVINYL FLOORING

*A New Luxury Perspective*

# 2018 SAVANNAH

Savannah is the embodiment of a true, premium watercraft — down to the very last detail. If you're drawn to the Savannah's modern design, look closer and you'll be even more impressed. From careful, precise stitching to elegant instrumentation, no detail has been overlooked.

# SAVANNAH FEATURES

- 1** Custom fiberglass seat bases with integrated cooler boxes. **2** Crest-exclusive decking materials including Tropic Life deluxe polyvinyl. **3** Custom Savannah fiberglass helm with windscreen and aluminum billet dash panel. **4** Simrad GO5 display and SeaStar Optimus Electronic Power Steering. **5** Fusion head unit, (8) Fusion 6 3/4" speakers, Fusion 10" subwoofer and 1600W amplifier. **6** Drink holders with LED lighting. **7** Custom fiberglass seat bases with ample integrated storage. **8** Premium, plush hand-stitched upholstery. **9** Stainless-steel, telescoping four-step boarding ladder. **10** 29" high back helm recliner with flip-up bolster.

# CONTINENTAL NX

## *Luxury. Power. Performance*

The Continental NX is a pontoon, but feels like so much more. Melding the innovation of a full walk-through windshield with an optional twin engine powerplant for top speeds over 60 mph, it blurs the line between pontoon and sport cruiser.

2018 COLLECTION

2018 CREST CONTINENTAL NX 270 SLS TWIN IN WHITE,  
WITH GRAY INTERIOR AND RUSTIC WEATHERED GRAY DELUXE POLYVINYL FLOORING

*Exhilarating Performance*

# 2018 CONTINENTAL NX

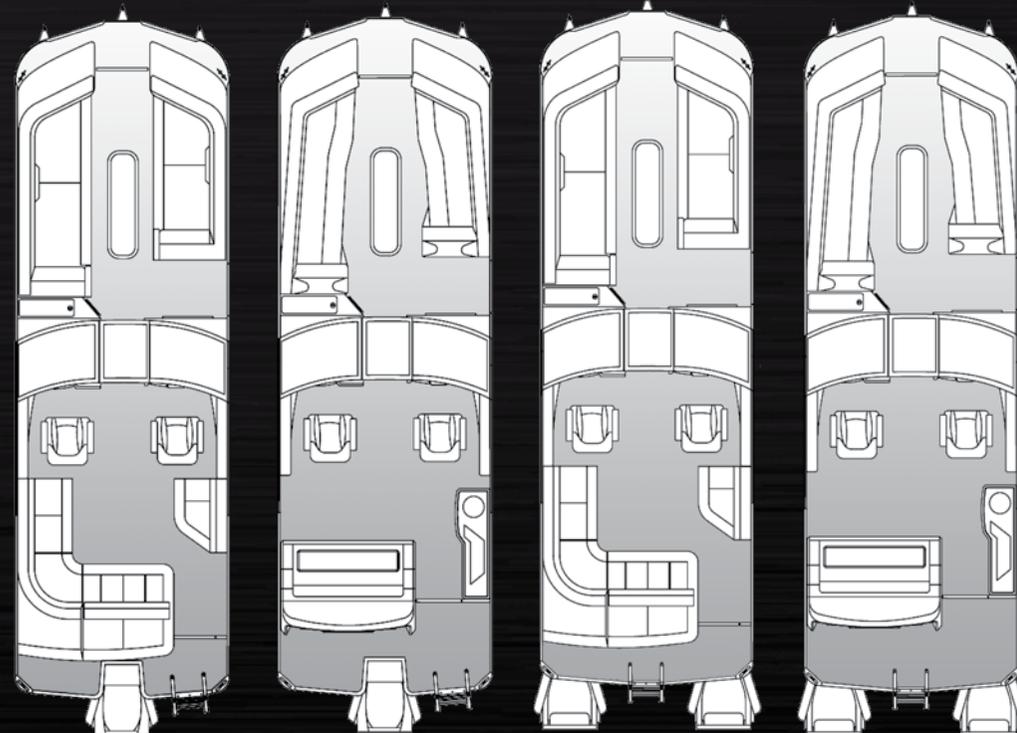

The Continental 270 NX is proof that we're not afraid of new ideas. Blending the power of optional twin engines and style of a walk-through windshield goes beyond looks; the NX takes the pontoon to the next level.

# CONTINENTAL NX FEATURES

**1** Recessed drink holders with LED lighting. **2** 29" high back helm recliner with flip-up bolster. **3** In-floor ski storage. **4** Movable drink holders. **5** Fusion speakers with custom LED lighting. **6** Ample integrated storage solutions. **7** Igloo 25-quart cooler included. **8** Luxury seating with integrated privacy curtain and frame. **9** Fusion head unit with Bluetooth, Fusion Link app, USB/AUX and (8) Fusion 6 1/2", 230W LED speakers with Fusion 10" 450W LED subwoofer and Fusion 1600W, 5-channel amplifier.

# CONTINENTAL

## *Quality, Craftsmanship and Performance*

The high level of quality and craftsmanship you have come to expect from Crest is exhibited everywhere in the Continental, providing you with a superior experience every time you ride.

2018 COLLECTION

2018 CREST CONTINENTAL 250 SLS IN NAVY, WITH TAN INTERIOR AND CABIN LIFE DELUXE POLYVINYL FLOORING

*Sporty Luxury for Everyone*

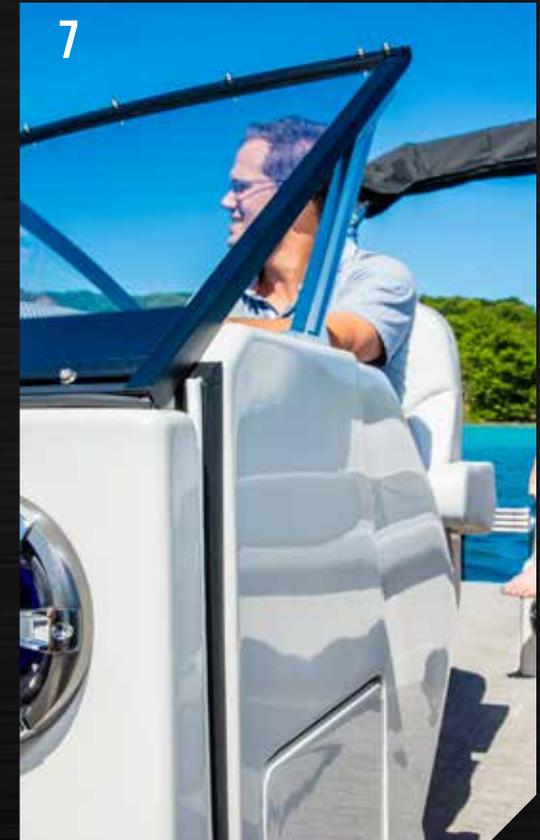

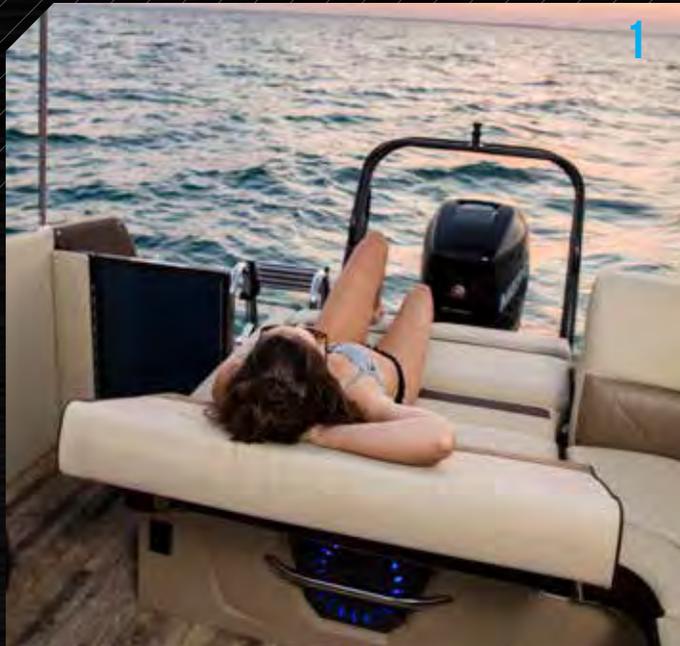

# 2018 CONTINENTAL

The first pontoon to sport an integrated windshield, the Continental was designed with a walk-through feature, allowing easy access to the entire platform. With the Continental, the division between a luxury sport cruiser and a pontoon vanishes — all for your enjoyment.

# CONTINENTAL FEATURES

- 1** Custom fiberglass seat bases with courtesy lighting. **2** Abundant built-in storage and drink holders. **3** Fusion speakers with custom LED lighting. **4** 29" high back helm recliner with flip-up bolster. **5** Stern starboard entertainment center with sink and potable water tank. **6** Fusion head unit with Bluetooth, Fusion Link app, USB/AUX and (8) Fusion 6 1/2", 230W LED speakers with Fusion 10" 450W LED subwoofer and Fusion 1600W, 5-channel amplifier. **7** Custom Continental dual console with woodgrain accents and TaylorMade full height, wraparound windshield. **8** Bimini top with adjustable support leg trailering struts. **9** Movable drink holders.

# CREST I

## *Simply Amazing*

Everything Crest stands for is embodied in the Crest I – craftsmanship, technology and durability. It's all there — best-in-class seating, a deluxe audio system and the same level of craftsmanship you've come to expect from Crest. There's nothing "entry level" about the Crest I.

2018 COLLECTION

2018 CREST I 220 SLC IN NAVY AND PLATINUM,  
WITH TAN INTERIOR AND CABIN LIFE DELUXE POLYVINYL FLOORING

*The Best Value on the Water*

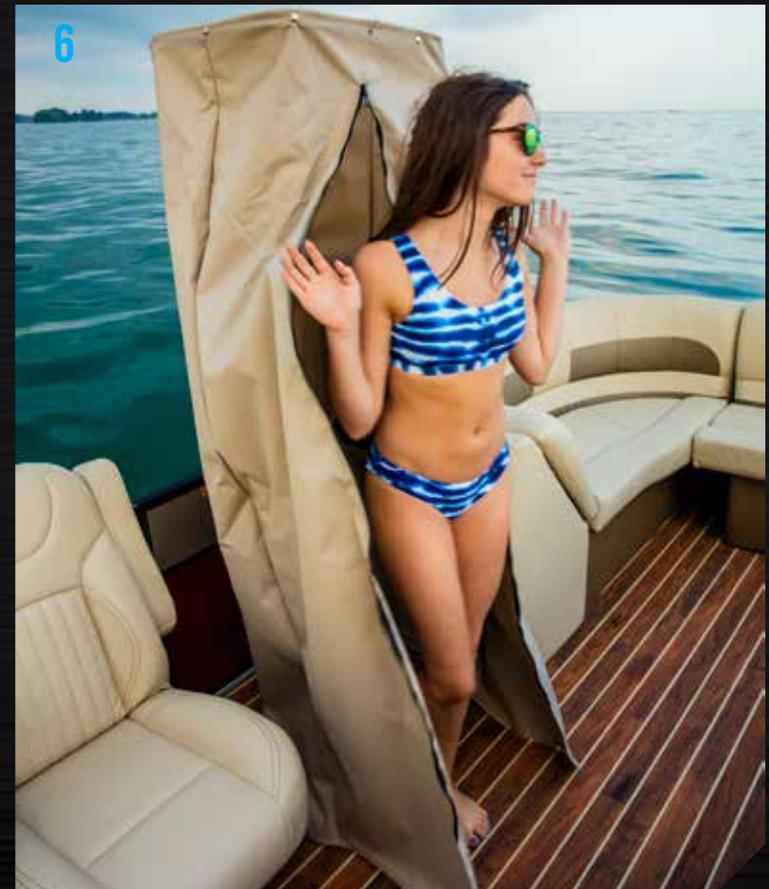

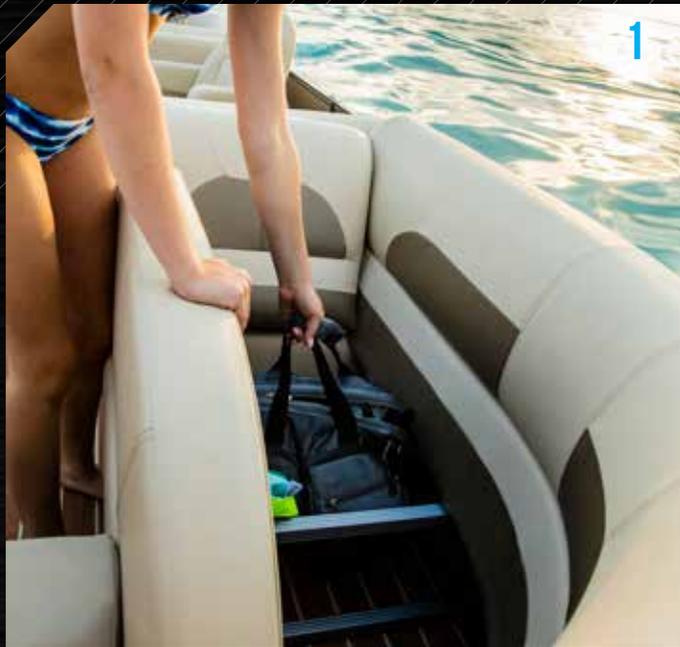

# 2018 CREST I

Simple and superior don't often define the same product, but the Crest I is an undeniable exception. From the bow to the stern, and everything in between, Crest I is built with a high standard of excellence — making it top in its class. Plenty of configuration and styling options only add to its desirability.

# CREST I FEATURES

**1** Integrated storage in seat bases. **2** 7-ply Marine-grade plywood and deluxe polyvinyl flooring. **3** Strategically placed drink holders throughout. **4** Custom Crest I fiberglass helm stand with windscreen, captain's cooled drink holder, tilt steering wheel assembly and SeaStar Xtreme Hydraulic steering. **5** Fusion head unit with Multi-Zone Technology with Bluetooth and (4) 150W – 6" Fusion speakers. **6** Aluminum seat bases with integrated privacy curtain and frame. **7** Bow filler seat. **8** 26" mid back sliding/swiveling helm chair.

**CREST I, CREST II, CREST III  
 CALIBER, CLASSIC AND CALYPSO**

- Large 25" diameter tubes
  - 4 chambers for added strength, durability, flotation and safety
  - Exclusive extruded 5/8" keel
  - .100" thick aluminum — 48" nose cone on all outside tubes
  - .125" thick aluminum end caps
  - Aluminum underskin
- CP2+ PERFORMANCE**
- Includes SeaStar Hydraulic steering
  - 25-gallon fuel tank
  - 20" transom height

# CPT PERFORMANCE

AVAILABLE ON  
**CREST I, CREST II, CREST III AND CALYPSO**

- 2 - 25" diameter outside tubes with lifting strakes, and a third 25" diameter center tube with 2 performance lifting strakes
- 4 chambers for added strength, durability, flotation and safety
- Exclusive extruded 5/8" keel
- .100" thick aluminum — 48" nose cone on all outside tubes
- .125" thick aluminum end caps
- Aluminum underskin
- Ski tow bar
- Includes SeaStar Hydraulic steering
- Non-integrated transom
- 26-gallon fuel tank
- 20" transom height

■ UPPER SPRAY SHIELD   
 ■ UPPER SPRAY SHIELD   
 ■ FRONT NOSE CONE PROTECTOR   
 ■ 5/8" SOLID KEEL   
 ■ LIFTING STRAKES   
 ■ TRANSDOM SPRAY DEFLECTOR   
 ■ IN-FLOOR SKI STORAGE

# HULL DESIGN BENEFITS

## OPTIONAL ON:

Crest III Caliber Classic

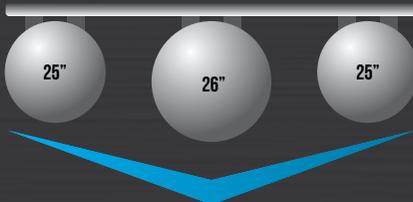

## STANDARD ON:

Caribbean Continental Savannah

After hundreds of hours of testing different tube shapes, transom heights and chassis configurations, our nautical engineers have created the new and improved CP3 hull for 2018.

- 25" outer tubes coupled with a larger and lower 26" center tube. This acts like a "vee hull" for unmatched ride quality and performance.\*
- Best-in-class top speed, handling and all-around performance.
- SeaStar Optimus Electronic Power Steering as standard equipment — precise, effortless steering with zero torque.

## OPTIONAL ON:

Crest I Crest III  
Crest I Fish Calypso  
Crest II

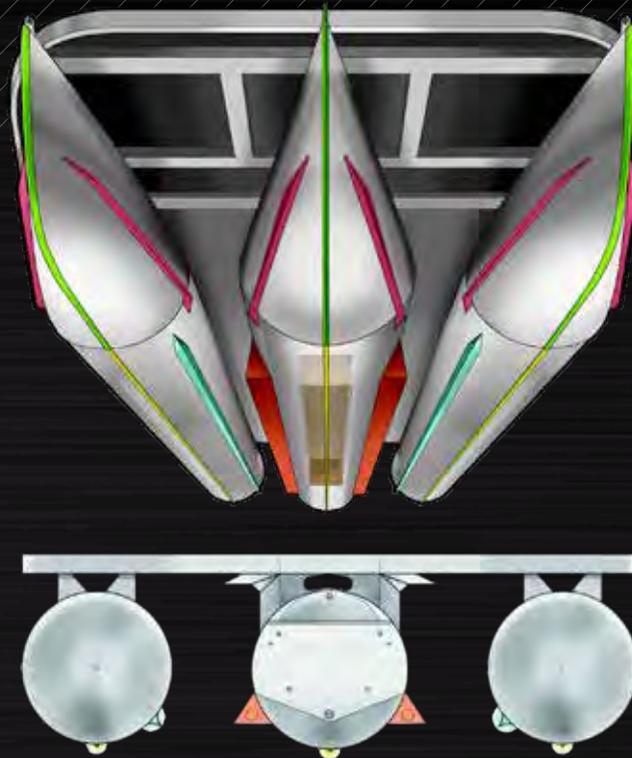

**Competitors** use a partial length, "cheater" or "sport" center tube. This inferior tube creates underdeck water turbulence and cavitation, which greatly reduces ride quality, speed and performance.

**Crest CPT** features a full-length center tube. This tube allows for clean water flow to the prop which greatly increases ride quality, speed, handling and performance.

# CP3 PERFORMANCE

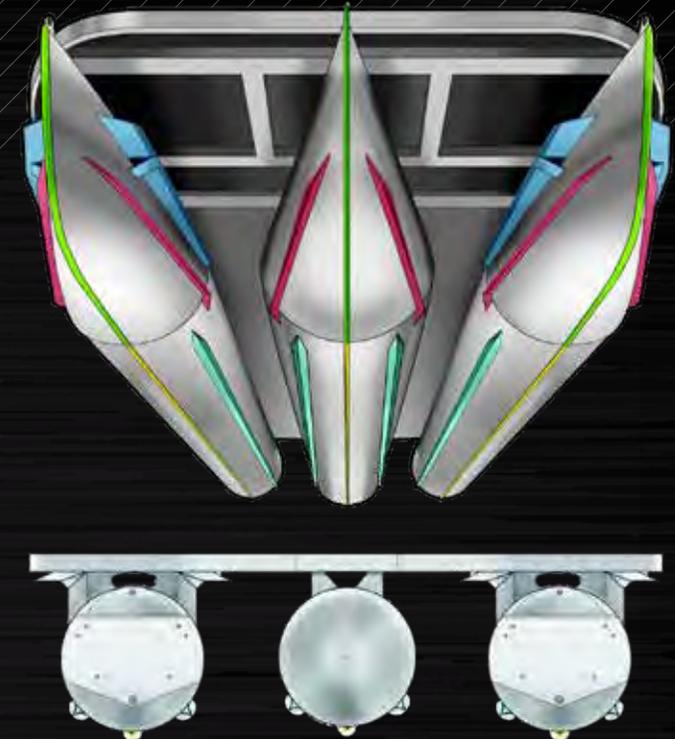

## AVAILABLE ON CREST III, CALIBER, CLASSIC, CARIBBEAN, CONTINENTAL AND SAVANNAH

- 2 - 25" diameter outside tubes with lifting strakes, and a third 26" diameter center tube with 2 performance lifting strakes
- 4 chambers for added strength, durability, flotation and safety
- Exclusive extruded 5/8" keel
- .100" thick aluminum — 54" nose cone
- .125" thick aluminum end caps
- Aluminum underskin
- Ski tow bar
- Includes SeaStar Optimus EPS
- Integrated transom
- 52-gallon fuel tank
- In-floor storage standard on Caribbean, Continental and Savannah; optional on Crest III, Caliber and Classic
- 20" transom height

# CP3 NX PERFORMANCE

## AVAILABLE ON CONTINENTAL NX

- 26" diameter tubes with dual performance lifting strakes on all tubes
- 4 chambers for added strength, durability, flotation and safety
- Exclusive extruded 5/8" keel
- .100" thick aluminum — 54" nose cone
- .125" thick aluminum end caps
- Aluminum underskin
- Ski tow bar
- Includes SeaStar Optimus EPS
- Integrated transom
- Standard in-floor storage
- 120-gallon fuel tank
- 25" transom height on twin engine

\*25' class pontoon with 250HP outboard.

# WHY IS CREST BEST?

## FOUR CHAMBERS

Our tubes have four sealed chambers to ensure maximum protection, flotation and safety.

## THICKEST AND LONGEST NOSE CONES

Our nose cones have the thickest gauge aluminum in the industry – 20% thicker than the competition's. They're also longer than most to enhance handling.

## THICKEST CROSS MEMBERS

The cross members on our chassis are 50% thicker than most, delivering best-in-class ride quality.

## SUPERIOR DECK AND FLOOR COVERING

We use ¾" 7-ply, marine-grade decking with a lifetime warranty. Most of our boats have either polyvinyl or woven vinyl floor coverings that resist mold and mildew.

## INTEGRATED FUEL TANKS

We engineer and integrate our fuel tanks into the transom or into the tube, allowing for more deck space and improved ride quality.

## DOUBLE SPLASH GUARDS

Two splash guards on our nose cones improve ride quality, virtually eliminating water spray.

*(Not available on Crest I and Crest II)*

## THICKEST END CAPS

Our end caps, which are 25% thicker than the competition's, are designed to take a beating.

## 90° FENCE RAILS AND THICKEST FENCE PANELS

We use thick 1 1/4" textured, extruded aluminum. All rail corners and gates are mitered at 90°, virtually eliminating pinch points.

## FULL LENGTH PIANO HINGES

Crest adds strength to its fence gates by using a single, full-length, piano style hinge on every gate. We also install gate locks, gate stops, and child-proof safety stops.

## CREST DESIGNED AND BUILT FIBERGLASS HELM STANDS

Unlike thin blow-molded plastic, our helms are constructed out of fiberglass. We don't skimp on quality.

# Saltwater Can Be Tough On Boats.

## CREST IS TOUGH ON SALT.

## SGM1003 "SALT SHIELD" PROTECTION

### COVERAGE

**SGM1003 Hybrid passivation for Marine Aluminum.** This impenetrable shield provides hydro- and oleophobic surface properties with high wear resistance. The "Salt Shield" Protection is applied at Crest to predetermined componentry on your boat. This one-of-a-kind technology "Salt Shield" protects aluminum from harsh marine elements, environmental wear, plus corrosion, chemical, erosion and fouling protection. In addition to the "Salt Shield" Protection, the Crest Saltwater Package includes: transom mounted zinc anodes, battery cutoff, and emblem. See your Crest dealer for complete details.

- Docking and Navigation Lights
- Stainless Steel Boarding Ladder
- Gas Cap and Vent
- Stainless Steel Mesh
- Bimini Hardware
- Corner Castings
- Grab Handles
- Horn Grill
- Cleats

FOR ADDED PROTECTION, CREST PONTOONS FEATURE: POWDER-COATED RAILS, DEUTSCH CONNECTORS, STAINLESS STEEL FASTENERS, AND A SOLID EXTRUDED 5/8" KEEL

## OUR WARRANTY

Our confidence in materials, our methods and our suppliers allows us to offer a solid warranty on your Crest pontoon. The Crest Marine warranty provides peace of mind and value by offering warranties for structure and components. This is an added benefit to a Crest Marine pontoon's resale value and the respect that a Crest brings to the market.

- 5-year Bow to Stern Warranty
- Limited Lifetime Structural Warranty
- Limited Lifetime Hull Warranty
