

CREST

CREST[™]

2022 COLLECTION

For the Days that Matter Most

It's counting down the days until the weekend. It's waking up early, grabbing a fishing pole, and racing the sunrise. It's turning up the music and embracing the ones around you. It's family and friends. It's sunrise to sunset.

It's what you've dreamed of. It's what you've worked for. It's the days and the people that matter most.

IT'S CREST.

All specifications are based on the latest product information at date of printing. Crest Marine LLC reserves the right to make specification and manufacturing changes at any time without notice or without responsibility for existing units. Crest Marine LLC assumes no responsibility for errors and/or omissions in this document. Please check with your local Crest dealer to show available options for the most accurate information.

2022 Collection

Construction, Style, and Comfort

IT ALL ADDS UP TO CREST QUALITY

From the iconic Classic to the sleek Savannah, every Crest model combines superior construction, modern style, and lush comfort. Your best days on the water are here, on a Crest.

Construction

Your best days on the water start with the best materials. High-quality tubes, robust fence rails, and the industry's best deck construction provide what you need to enjoy your ride with confidence.

Style

Across our entire lineup, every Crest makes a statement on the water. Powder-coated rails come standard and provide a timeless look that will last a lifetime. Plenty of features, colors, and accent options make it easy to customize your boat to be uniquely yours.

Comfort

Our seats provide lush comfort, with deeper seat bases, higher seat backs, and superior foam to enjoy longer days in the sun. Versatile layouts make it easy for everyone on board to move around, get comfortable, and explore the views on the water.

Savannah

Elegant Form, Meet Thoughtful Function

Our flagship model in both performance and style, the Savannah beautifully paints the picture of everything a pontoon should be. The Savannah embodies elegant form merging with thoughtful function—down to the very last detail. With the Savannah's modern design, the closer you look, the more impressed you'll be. From careful, precise stitching to premium instrumentation, we've considered every detail you need. This is a luxury pontoon at its best—this is the Savannah.

PERSONALIZE YOUR PERFORMANCE

Our superior tube design allows for clean-water flow to the prop, which greatly increases ride quality, speed, handling, and performance. Four unique tube options let you find the perfect choice for your on-water needs. Keep the customization going with horsepower, helm, seating, and flooring upgrades.

Tubes

STD	CPT	CPT DLX	CP3+	CP3+ NX
<p>Crest's standard performance package features two large 25" diameter tubes, and a 28-gallon fuel tank with up to 115 HP. This package includes cable steering with hydraulic options and four chambers for added strength, durability, flotation, and safety.</p>	<p>Upgrade to the CPT performance package for the aluminum underskin, Junior Beast ski tow bar, a 48-gallon fuel tank, and up to 150 HP. CPT features SeaStar hydraulic steering and three 25" diameter tubes with two performance lifting strakes.</p>	<p>CPT Deluxe package consists of three 25" diameter tubes, aluminum underskin, lifting strakes, SeaStar power assist steering, and a 48-gallon fuel tank. When you choose to upgrade to this package, you can also receive a dual battery switch and boxes with tie downs and a Junior Beast Ski Tow Bar.</p>	<p>The CP3+ package comes standard with two 25" diameter outside tubes and a third 26" diameter center tube with two performance strakes. Enjoy features including an aluminum underskin, a ski tow bar, and in-floor storage. Choose from horsepower options up to 400 HP and steering options, which include SeaStar hydraulic steering or SeaStar Optimus EPS.</p>	<p>Upgrade your Continental NX to include three 26" diameter tubes with dual performance lifting strakes on each tube. When you choose twin engines, the CP3+ NX package gives you twin engines for up to 800 HP and 25" transom. Enjoy all the other features CP3+ offers including an aluminum underskin, a ski tow bar, and in-floor storage.</p>
